In his application for the vacancy of Store-keeper, Chemistry Department, Central College Sanjeeva Das has stated that he has passed Madras Intermediate Junior Examination.

22) It is ascertained from the Development Branch that the Grades of Inspectors and Assistant Inspectors of Co-operative Societies are as follows:

Inspectors I Grade Rs 75-5-125.

Inspectors II Grade Rs 40-5-75

Assistant Inspectors (Temp) Rs 40/- (fixed).

Clerks (2) Rs 30-3-60.

Clerks (12+2) Rs 25-2½-50.

23) Among the four Temporary Assistant Inspectors of Cooperative Societies in the Department, Sanjeeva Das is placed last and is given a pay of Rs 40/- per mensem.

Sms
28/1/30.

24) This is a case in which one Sanjeeva Doss, belonging to the Gollar caste, secured an appointment on Rs. 40 as Assistant Inspector of Co-operative Societies (in the year 1927) by representing that he had passed the Madras Intermediate when, as a matter of fact, he had passed only the Mysore S.S.L.C. and studied in the Junior Inter class in the St. Joseph's College at Bangalore and had been promoted to the Senior Inter Class. The fraud was discovered in the Registrar's office recently in connection with the preparation of the Gradation list and the matter was reported to Govt. for such orders as they might

deem fit to pass. Shortly after the submission of the report by the Registrar, Sanjeeva Doss submitted a memorial to the Chairman of the C.R.B. admitting his guilt and praying for mercy. This was forwarded to the Registrar for an expression of his further views in the matter. The Registrar reports to say that the work of Sanjeeva Doss in the Co-operative department has been fairly satisfactory and adds that, as he has expressed keen regret for the mistake, his case might be viewed with a certain amount of leniency.

25) In similar cases of candidates entering service by fraud, Govt. have ordered that their services should be dispensed with and that they should be debarred from entry into service for a period of two years. The present case is an equally serious one, but there appear to be some extenuating circumstances :—

1) The man has confessed his guilt and pleads for mercy;

2) His work for the past two years has been favourably reported upon by the Registrar;

3) He appears to be a smart young man, judging from the fact that he has scored more than 50 to 65 per cent of the marks in the S.S.L.C Public Examination in almost all the subjects.

26) Taking the above circumstances into consideration, the case might be dealt with somewhat leniently as recommended by the Registrar of Co-operative Societies.

The Secretary,

Sir,

I have the honour to invite your kind reference to my letter No.533/C.S.dated 20-7-27 reporting the appointment of Mr.P.H.Sanjeeva Das in one of the vacancies Nos.1607-10 for the posts of the Assistant Inspectors of Co-operative Societies for Depressed Class Co-operative Societies advertised in Mysore Gazette dated 24-2-27, and to state that the minimum qualification prescribed therefor in case of candidates of Backward communities was 1st Year B.A. or Intermediate Examination of Mysore or any other recognized University.

Mr.Sanjeeva Das's statement concerning his academic qualification in his application dated 2-3-27 for the post viz., that he had passed the "Madras Intermediate Examination (F.A.)" was taken to be genuine enough and was appointed in the vacancy referred to above at the time. Recently, in connection with the preparation of the Gradation List of the Establishment of the Department, he was requested to state his qualifications and produce the certificates. He has now stated that he has applied for a copy of the Madras Intermediate Mathematics Junior pass. This discrepancy was brought to his notice and he has failed to submit satisfactory explanation therefor. It is obvious that he has not passed the Madras Intermediate Examination as originally stated by him and has only secured the appointment he holds now in the Department fradulently by giving a false qualification.

In the meanwhile the Principal Central College has intimated that he has been appointed in vacancy No.901 of 28-29 for the post of the temporary Store-Keeper in the Chemistry Department on a pay of Rs.35/- which is lesser than that he is now drawing in the Department. His application for the post was not forwarded through the Department. It

It seems as though he has tried to shift to another Department after having known that his present appointment is insecure.

Under these circumstances, I request that Government may be pleased to pass such orders as they deem fit in the matter.

Respected Sir,

I humbly beg to submit the following few lines for your kind consideration and early favourable orders.

I have been working as an Asst. Inspector of Cooperative Societies for Adekarmatakas from the last two and a half year.

With reference to my general educational qualifications I have passed the Madras Junior Inter. Recently the Registrar of Cooperative Societies has reported that I have given wrong information with regard to my general qualification to the Central Recruitment Board for disposal.

In this connection I most humbly beg to state that 'To err is human' and I am no exception to it.

I have discharged my humble duties towards the upliftment of the Adikarnatakas to the best of my ability. I did organise and conduct a very big Adikarnataka conference attended by more than three thousand delegates from all parts of the District (Tumkur) in the interests of the depressed co. I have organised 25 societies and managed 22 societies without a single error to comm from the last 32 months. May it be pleased to your Honorable office to request the Registrar for his opinion about my services.

In addition I am one of the Honorary Members of the

Many people in this Country Think that England conquered India by force of arms, but history tells us that some English Merchants first came to India to trade at the time when the Mohemedan power was in its decline and the Hindus were fighting against the Mohemedans to throw off their Yoke and to reestablish the Hindu power upon the throne of Delhi. At this time of anarchy and revolution, these British traders under the name of the East India Company took the side of the Mohemedans and gained the good will of the last of the Moghul Emperors, who was then merely a tutelar Sovereign.

To

The Secretary,
Central Recruitment Board,
Bangalore.

Sir,

With reference to your letter No.3831/C.R.B. dated 8th January 1930 forwarding the memorial of Mr.P.H. Sanjiva Das, Assistant Inspector of Co-operative Societies for Depressed Classes, Kunigal, and asking me to submit my further views on the subject, in the light of the facts contained in the memorial, I have the honour to state that, as the memorialist expresses keen regret for the mistake, his case may be viewed with certain amount of lenience.

2. With regard to his statement that Adikarnataka and Christian candidates, whose qualifications are only S.S.L.C., hold the same position, I beg to submit that it is not true in the case of Christians, as no Christian candidate has so far been appointed as Assistant Inspector of Depressed Class societies. In the advertisement, it was specifically stated that, in the case of Adikarnataka candidates, S.S.L.C. qualifications would do and, out of the applications received from C.R.B., two S.S.L.C. Adikarnataka candidates were appointed as Assistant Inspectors, of whom one tendered his resignation for the post last July and the other is now on sick leave.

3. As regards his work in the Department, I beg to state that it has been fairly satisfactory.

4. The enclosures are herewith returned.

I have the honor to be,
Sir,
Your most obedient servant,

K H Ramayya

Registrar.
